BRIEF ABSTRACT OF LETTER.

NOTES AND ORDERS.

NOTES—First Sheet.

Bangalore,

10th July 1920.

My dear Sir,

I enclose for your perusal Dr.C.A.Nanjappa's letter enclosing the letter of MissrJhirard, M.D. Dr.C.A.Nanjappa proposes to offer her Rs.600 without free quarters or conveyance allowance. This I think may be agreed to.

Miss Jhirard wants to be placed in independent charge of a hospital. Having regard to the fact that she is very young and has not had much experience I asked the Senior Surgeon whether he was agreeable to that condition and how he would dispose of then the claims of Mrs.Perriton. He has replied to say that the Bangalore Maternity hospital requires development, that he would place Miss Jhirard in charge of that hospital and that Mrs.Perriton may remain where she is. But I do not like to bind the Government with any such condition. We do not know how Miss Jhirard may turn out. I would offer her Rs.600 a month and say that after a period of probation she may be placed in independent charge of the women's hospital at Bangalore or Mysore. I would like to be informed of your wishes in the matter so that I might send a suitable reply to the Senior Surgeon.

Sincerely yours,

Sd/- Mir Hamza Husein,

Dear Sir

I enclose a letter from Miss L. Ghuraft. She is an M.D., B.S., of London and as such is no doubt a desirable acquisition to our medical service. But the terms stated by her are, I am afraid, too high to be accepted. I would recommend her being offer ed a pay of Rs.600, without any condition of free house or conveyance.

Yrs Sincerely

For pay I expect Rs 800 per month with a decent sized furnished bungalow I will I be allowed a carriage for my own use?

of course I expect to be allowed private practice

I do not know what your regulations for holidays are, but I expect at least six weeks off in the year.

I would like an early reply to this and if the terms are agreeable I would like to have more details of the post I am to fill and when exactly you would expect me to join service.

I cannot leave this place till October -

Yours sincerely

Sir,

With reference to the correspondence ending with your D. O. letter No.102-C.B., dated 19th July 1920, I have the honor to forward herewith, in original, letter dated 26th July 1920 received from Miss. Jerusha Jhirad, M.B., B.S.(Lond), expressing her willingness to accept service in this State on a pay of Rs.600/-

I therefore request the favor of early orders appointing Miss.Jirad as a Surgeon on Rs.600 plus a sex allowance of Rs.50/-

Miss Jirad says that she has been asked to stay on at Delhi for a longer period and has to give them a reply early. She may have to give them a definite reply and also the usual month's notice to enable her leave her present post and report herself here in time, to relieve Miss.Govindarajulu on the 5th October 1920.

I therefore request that orders of Government may be kindly obtained and communicated to me before the end of this month, and I may be permitted to intimate at once to her that she will be appointed as above, on the usual conditions.

Dear Dr. Nanjappa,

I received your letter this morning. Of course I quite see your Government do not wish to start me practically a stranger to them, on a high salary at once. I shall be willing to come for Rs 600 for a museum with prospects of promotion in the near future.

I hope your Government will see their way to granting me either a house or carriage allowance if not both, because of the present

high standard of living.

Please let me know at your earliest convenience, when I shall be required to take up service. as I am asked to stay on longer here and cannot promise to be here after October until I hear from you.

Yours sincerely
